BRANDING PAKISTAN

BRANDING PAKISTAN

Media information

Advertising towers

With an advertising surface of 165 square meters on four sides, our advertising towers are a premium form of advertising space. Around ten meters high, these towers are visible from a great distance and are guaranteed to attract the attention of your target groups, thanks to their prominent placement around the exhibition grounds and along heavily frequented access roads.

Dimensions

W 4.18 m x H 9.90 m
one-piece panel: W 16.40 m x H 9.90 m

Material and processing

Digital print production of the one-piece panels, positioning of the supporting frame (including ballasting), assembly and disassembly.

Format

4-sided
